Project Title: Knife River Construction, Temporary Creek Crossings for Access to Gravel Operations (Streambed Alteration Agreement 1600-2001-0195-R2)

Project Location: The project is located on Stony Creek at Latitude 39.772979° North, Longitude 122.207071° West; Orland, Glenn County, CA 95963.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement 1600-2001-0195-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Steven Azevedo.

A temporary stream crossing is placed within the channel of Stony Creek annually to facilitate truck access between gravel extraction operations and the Knife River Construction processing facility.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying out Project: Knife River Construction

Exempt Status:

Categorical Exemption. Type – Class (1); California Code of Regulations, title 14, sections (15301)

Reasons why project is exempt: Class 1 because the activity involves the operation of an existing road and maintenance of temporary crossings connecting the existing road for an existing and ongoing project, with negligible or no expansion of use.
