Project Title: Scott Lane Elementary School Master Plan Project

Project Applicant: Santa Clara Unified School District

Project Location (include county): 1925 Scott Blvd., Santa Clara, CA 95050

**Project Description:**

The SCUSD has prepared a Master Plan intended to modernize the campus and update facilities for current and projected school needs at Scott Lane Elementary School over the next 30 years. The Scott Lane Elementary School Master Plan sets forth planned improvements the school district intends to undertake in the future as funding allows including, but not limited to: replace all portables with permanent classrooms; construct a new Early Learning Center with classrooms and play yards for preschool and transitional kindergarten and kindergarten; field renovation; construct a new administration building with offices for student support programs; construct a new larger multipurpose building, cooking kitchen and stage; modernize existing classrooms; construct a new permanent library; and other improvements within the campus. The proposed full buildout of the Master Plan includes 38 classrooms and a maximum capacity of 938 students. The full buildout of the Master Plan would result in six additional classrooms and 157 more students than is currently accommodated. No other new uses are proposed by the Master Plan project.

This is to advise that the Santa Clara Unified School District has approved the above  
( Lead Agency or  Responsible Agency)
