Subject: UC San Diego - SIO Area ADA Improvements Project, Notice of Exemption (NOE)

SCH: 2025010614

To Whom it Applies,

UC San Diego would like to withdraw the NOE posted on January 21, 2025 due to changes in project scope and location. A revised NOE will be submitted for a scaled back project scope of work, with an alternative exemption category. With the reduced scope, the university will now use CatEx Class 1: Existing Facilities, rather than Class 4: Minor Alterations to Land.

Please let me know if you need anything else.

Thanks,

Alison
