NOTICE OF EXEMPTION

City of Oceanside, California

Post Date:
Removal:
(30 days)

1. **APPLICANT:** City of Oceanside
2. **ADDRESS:** 300 N. Coast Highway, Oceanside, CA 92054
3. **PHONE NUMBER:** (760) 435-3073
4. **LEAD AGENCY:** City of Oceanside
5. **PROJECT MGR.:** Jayme Timbertake, Coastal Zone Administrator
6. **PROJECT TITLE:** North Oceanside Dunes Restoration Project
7. **DESCRIPTION:** The project includes hand installation of biomimicry tools (4-foot sand fencing and 12-inch cedar shims) and native dune plants to facilitate sand deposition and create dune habitat, symbolic fencing and signage to minimize unauthorized encroachment, and public communication and outreach to encourage the public to provide space for native habitat growth. These biomimicry/green engineering techniques propose to restore coastal dune habitat at three different Oceanside beaches, totaling one collective acre: Harbor Beach (0.53 acre), North The Strand (0.07 acre), and San Luis Rey River mouth (0.76 acre). The dunes will be restored in phases, with the first phase beginning at Harbor Beach (expected fall 2025), followed by the San Luis Rey River and North The Strand dune locations. By and large, each dune will aim to be installed in fall to take advantage of natural rainfall. Project monitoring includes measuring beach topography and vegetative cover over time to evaluate if the project is successful at retaining beach sand and establishing native dune vegetation and will commence after the dune restoration installation is complete at each location, and will be continued through 2028.

ADMINISTRATIVE DETERMINATION: Planning Division staff has completed a preliminary review of this project in accordance with the City of Oceanside's Environmental Review Guidelines and the California Environmental Quality Act (CEQA), 1970. Based on the findings of an initial study, the Environmental Coordinator has determined that further environmental evaluation is not required because:

- The project is categorically exempt, Class 33, "Small Habitat Restoration Projects" (Section 15333); or,
- "The activity is covered by the common sense that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA" (Section 15061(b)(3)); or,
- The project is statutorily exempt, Section, _____ (Sections 15260-15277); or,
- The project does not constitute a "project" as defined by CEQA (Section 15378).
