### NOTICE OF EXEMPTION

TO:  Office of Planning and Research  
CEQAnet Web Portal  
<https://ceqasubmit.opr.ca.gov/>

FROM: San Joaquin County  
Department of Public Works  
1810 East Hazelton Avenue  
Stockton, California 95205

County Clerk  
County of San Joaquin California  
44 North San Joaquin Street, Suite 260  
Stockton, California 95202

Project Title: Airport Way Frontage Road Resurfacing

Project Location: See attached vicinity map

Description of Nature, Purpose, and Beneficiaries: See attached project description

Public Agency Approving Project: San Joaquin County Public Works Department

Name of Agency Carrying Out Project: San Joaquin County Public Works Department

This is to advise that the San Joaquin County Public Works Department has approved the above described project on 12/24/2024 and has made the determination that the project is exempt due to the following:

Exempt Status (check one):

- Ministerial (Sec. 21080 (b) (1); 15268)
- Declared Emergency (Sec. 21080 (b) (3); 15269(a))
- Emergency Project (Sec. 21080 (B) (4); 15269(b) (c))
- Categorical Exemption: Existing Facilities (Sec. 15301 (c))
- Statutory Exemption (Sec. 15282(l))

Reason(s) why project is exempt: The project will repair an existing road and will not result in any major alterations to the configuration of the road. No additional vehicle travel lanes will be constructed.

# AIRPORT WAY FRONTAGE ROAD RESURFACING

## Project Description

### Project Location:

520 feet North of Airport Way to North End. **See attached Vicinity Map.**

### Project Justification:

Airport Way Frontage Road is a two-lane, 32-foot-wide roadway. The original construction and existing structural section are unknown. In 1990 the north end of the road was extended 540 feet with a structural section of 0.2 feet of Asphalt Concrete (AC), 0.5 feet of Aggregate Base (AB), and 0.4 feet of Aggregate Subbase (AS). The road was resurfaced in 1997 with an overlay between 0.15 feet to 0.25 feet thick. The roadway was last slurry sealed in 2017.

The existing pavement has heavy alligator and edge cracking throughout the project limits.

### Scope of Work:

The project will consist of:

1. Resurfacing existing roadway (32 feet wide) with 0.25 feet Hot Mix Asphalt (HMA) (Type A).
2. Repairing pavement structural failure areas with full depth 0.25 feet HMA (Type A).
3. Replenishing 4-foot-wide Shoulder Backing: 2 feet (8%) and 2 feet to conform.
4. Constructing 8 feet HMA (Type A) driveways.
5. Conforming grind 4-foot width along gutter.

### Environmental Setting:

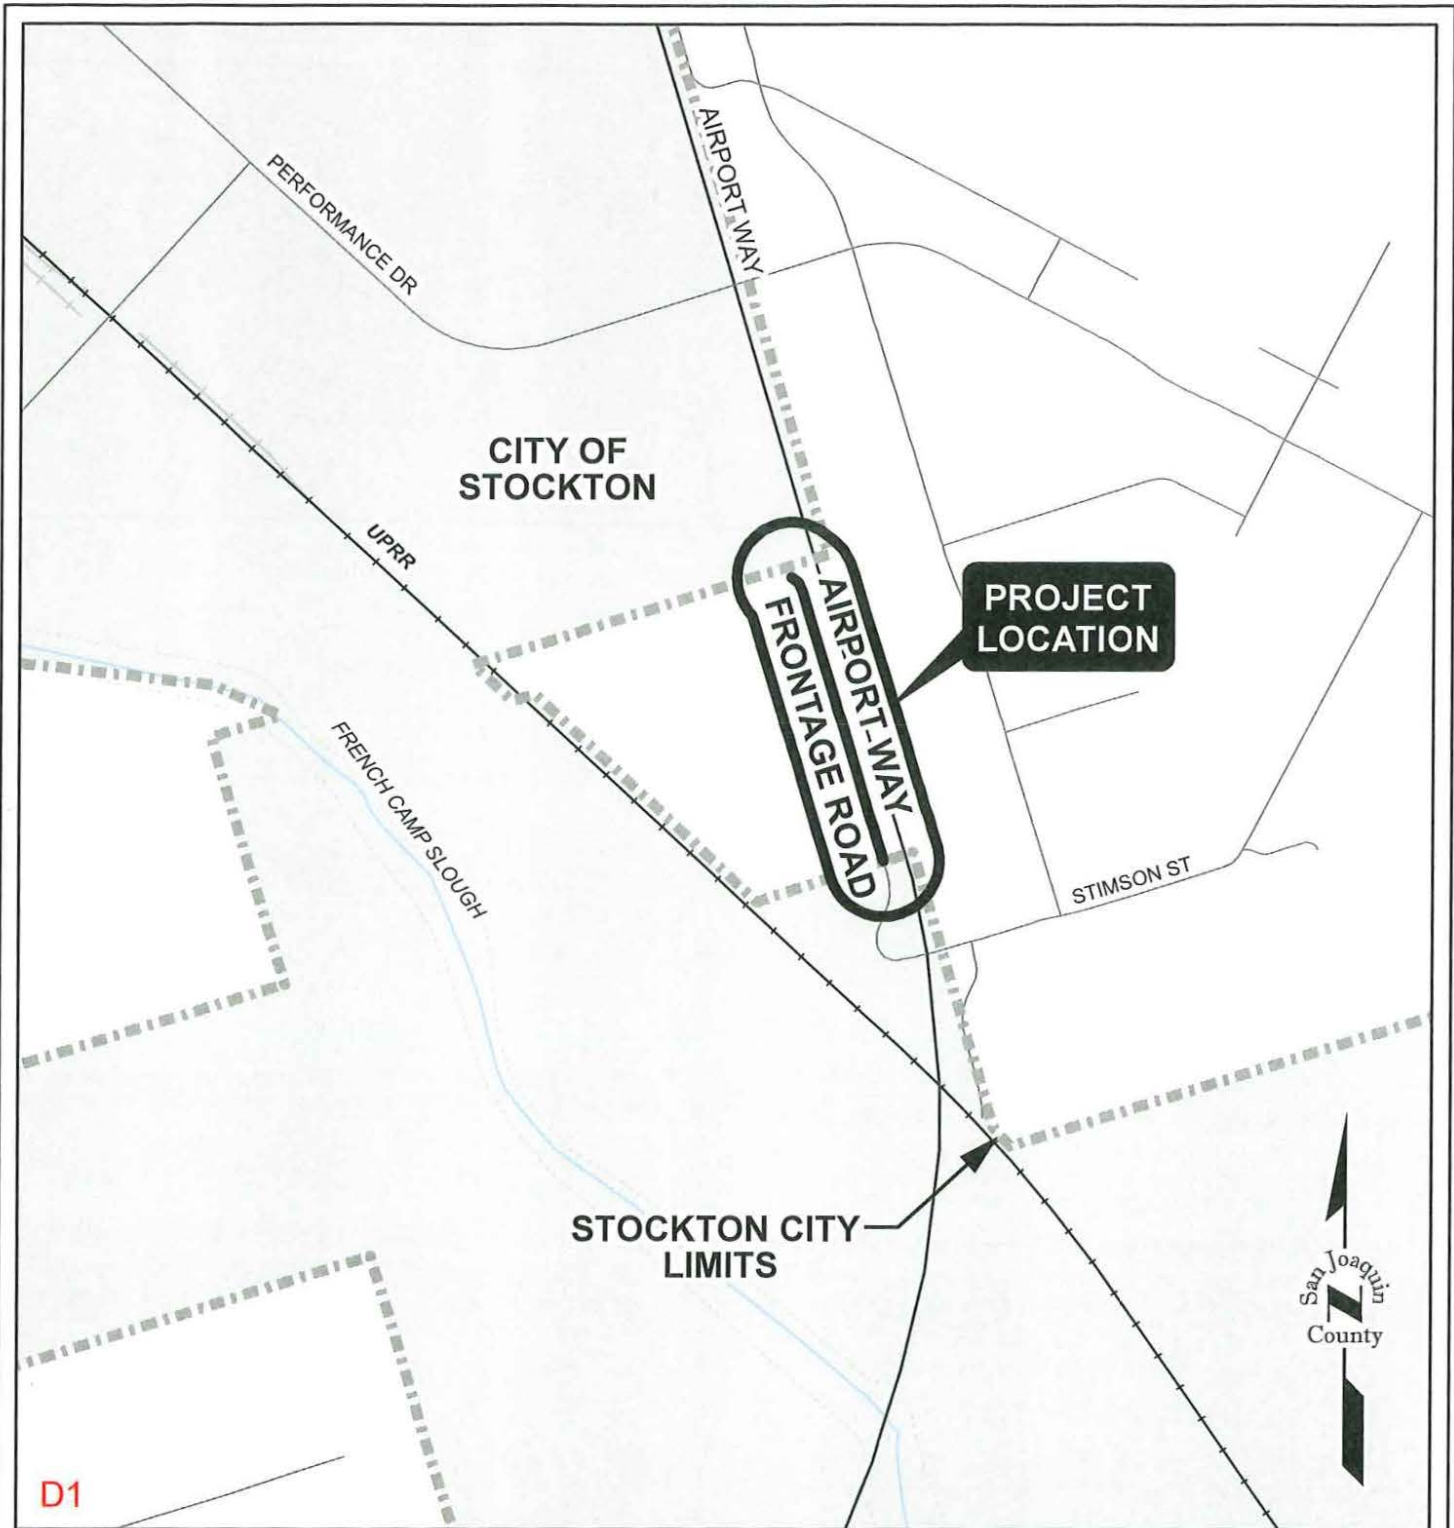

In these portions of the San Joaquin County, land usage is primarily **industrial**.

**There are many large trees adjacent to the project area.** Nesting and migratory birds, protected by the Migratory Bird Treaty Act, may nest within these trees. Furthermore, the Swainson's Hawk, a raptor species of concern within the State of California and listed as threatened may nest adjacent to or within the project area. A pre-construction survey for nesting Swainson's Hawks and other migratory birds is recommended if construction is scheduled to occur from February 15<sup>th</sup> to September 1<sup>st</sup>.

### Beneficiaries:

The public will see increased safety and fewer hazards with this well-maintained road. Overall, there will be reduced maintenance concerns and more reliability within the project area.

District No. 1
