This is to advise that the County of San Diego Board of Supervisors has approved the above-described project on January 28, 2025 (8), and found the project to be exempt from the CEQA under the following criteria:

Exempt status and applicable section of the CEQA ("C") and/or State CEQA Guidelines ("G"): (check only one)

- Declared Emergency [C 21080(b)(3); G 15269(a)]
- Emergency Project [C 21080(b)(4); G 15269(b)(c)]
- Statutory Exemption. C Section:
- Categorical Exemption. G Section(s): 15301. Existing Facilities, 15303 New Construction or Conversion of Small Structures, 15304 Minor Alteration to Land, 15311 Accessory Structures
- G 15182 – Residential Projects Pursuant to a Specific Plan
- Activity is exempt from the CEQA because it is not a project as defined in Section 15378.
- G 15061(b)(3) - It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment and the activity is not subject to the CEQA.

Statement of reasons why project is exempt:

This project consisting of minor grading and installation of pre-fabricated structures and associated electrical connection are categorically exempt from CEQA pursuant to Section 15301, Existing Facilities as it involves interior and exterior alterations for electrical connections that will not expand the existing use of each fire station and it involves an addition that will not result in an increase less than 2,500 square feet and less than 50 percent of the floor area of each fire station. The project is exempt categorically exempt from CEQA pursuant to Section 15303 New Construction or Conversion of Small Structures as it involves installation of one small, accessory structure not exceeding 2,500 square feet in floor area at each fire station and electrical line extensions of reasonable length to serve the structure. The project is exempt categorically exempt from CEQA pursuant to Section 15304 Minor Alteration to Land as it involves the minor alteration of land and vegetation, which does not involve removal of healthy, mature, scenic trees, which includes minor grading on slopes less than 10 percent and minor trenching and backfilling with surface restoration. The project is exempt categorically exempt from CEQA pursuant to Section 15311 Accessory Structures as it involves a minor structure accessory to each of the existing fire stations. Further, none of the exceptions in CEQA Section 15300.2 apply to this project. Additionally, the project will not impact environmental resources of hazardous or critical concern that are designated, precisely mapped and officially adopted by government agencies; does not contribute to cumulative environmental impact; will not have a significant impact on the environment due to unusual circumstances; does not damage scenic resources within a designated state scenic highway; is not on the list of Hazardous Waste and Substance Sites pursuant to Section 65962.5 of the Government Code; and does not cause adverse change in the significance of a historical resource.
