## MEMORANDUM

**DATE:** 2/26/2025

**TO:** State Clearinghouse

**FROM:** Jennifer Thomas, Program Manager, CNRA Bonds & Grants Unit

**SUBJECT:** SCH #2025010989 NOE Correction and Withdrawl Requests

---

The purpose of this memo is to request the following two actions related to SCH #2025010989:

- 1) Revise the Project Title on the NOE published on 2/19/2025
  - The Project Title in the "Document Details" section is incorrect. We would like to request the Title in the Document Detail section be changed from Rio Honda River Park Project to **Emerald Necklace Rio Hondo Greenway Phase III**, which matches what is written on the 2/19/2025 NOE form
- 2) Withdraw the original NOE filed on 1/30/2025 so that the Project Information section on CEQAnet is pulling the corrected title, description, and location information from the NOE published on 2/19/2025 instead

Thank you for your assistance with this request. Please let me know if you have any questions.
