Project Location:

The Calistoga Joint Unified School District is proposing to install new permanent stadium lights around the existing football field, permanent bleachers along the northern boundary of the field, a new field house, and a new concession stand. The proposed project would also include the replacement of the existing track with an all-weather track, replacement of the existing grass turf with synthetic grass, and installation of a new permanent public address (PA) system and a new scoreboard. The existing basketball courts would also be relocated. Landscaping, bioretention areas, and concrete walkways would be installed, and new chain-link fencing with gates would be installed around the perimeter of the track and field. An asphalt driveway would be constructed northeast of the track and field to provide access to the campus via Grant Street. Asphalt would also be installed northeast and south of the track and field to accommodate the bleachers, concession stand, field house, basketball courts, and tree wells.
