Project Title: Tidelands Use and Occupancy Permit to National Response Corporation at Tuna Harbor
Project Applicant: Matthew Rohrbach, NRC Environmental Services, Inc., 2950 Kurtz Street, San Diego, CA 92110; (602) 820-3443
Project Location – Specific: Tuna Harbor Basin adjacent to "G" Street Mole
Project location – City: San Diego
Project Location – County: San Diego

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project is a Tidelands Use and Occupancy Permit (TUOP) to the National Response Corporation (NRC) (Tenant) for their use of approximately 1,280 square feet (sq ft) of water area/berth space known as Slip Nos. 313 and 314, in addition to two (2) parking spaces within an area designated for commercial fishing parking permitted by the District's Marine Terminal Supervisor located at Tuna Harbor Basin adjacent to "G" Street Mole, in the city of San Diego, California. The area proposed for use under this TUOP is currently and is proposed to be used only and exclusively for the purpose of mooring, crewing, and provisioning vessels; the minor maintenance of vessels that does not result in the release of substances into air, water, or soil; and parking and for no other purpose whatsoever without the prior written consent of the Executive Director of District in each instance. The Tenant would be responsible for compliance with all laws and regulations associated with the activities on or in connection with the above-described premises, and in all uses thereof, including those regulating stormwater and hazardous materials. No new development, construction, or increase in the size of the property is proposed or authorized as part of the TUOP.

It is anticipated that the TUOP would have a total term of approximately four (4) years. The TUOP may be terminated by the District or Tenant as a matter of right and without cause at any time upon providing thirty (30) days' notice in writing to the other party of such termination.

Name of Public Agency Approving Project: San Diego Unified Port District (SDUPD)

Exempt Status: (Check one):
 Ministerial (Sec. 21080(b)(1); 15268);
 Declared Emergency (Sec. 21080(b)(3); 15269(a));
 Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
 Categorical Exemption(s): Existing Facilities (SG § 15301) (Class 1)
 Statutory Exemption. State code number:

Reason Why Project is Exempt: The proposed project is determined to be Categorically Exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15301 (Existing Facilities) and Section 3.a. of the District's *Guidelines for Compliance with CEQA* because it is a TUOP that would involve no expansion of use beyond that previously existing and would not result in a significant cumulative impact due to the continuation of the existing use. Section 3.a. of the District's *CEQA Guidelines* is as follows:

- 3.a. **Existing Facilities (SG § 15301) (Class 1):** Includes operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing, including but not limited to:

- (4) New and renewed short-term tenancy agreements which do not result in change in the existing use. This exemption does not apply to any new development associated with the activities of the tenant. This exception is also inapplicable if the cumulative impact of continuing the existing use or conditions in the same place, over time, is significant.
