Project Title: Nimbus Fish Hatchery UV Shade Cover Extension

Project Location: The project is located at the Nimbus Fish Hatchery at 2001 Nimbus Road, Rancho Cordova, CA 95670, in the County of Sacramento, State of California; Latitude 38.634110, Longitude -121.225691 (WGS 84 datum, decimal degrees); Assessor's Parcel Number 069-0040-001-0000.

Project Description: Nimbus Fish Hatchery will be adding to an existing shade structure on the south side of Hatchery Building 2 that will provide cover over existing UV equipment that is used for hatchery operations. The project duration is estimated to last 4 weeks. There will be excavation for the expansion of the current foundation and footers for the addition of the shade structure. The foundation will expand 10 feet to the North and an additional 6 feet to the East. The building will follow the current height, width and roofing pitch. The addition will be to the length of the current shade building and will be completed with walls on the North and West and a double door on the south wall.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying out Project: California Department of Fish and Wildlife

Exempt Status:

Categorical Exemption. Type – Class (3) and (4); California Code of Regulations, title 14, sections (15303 and 15304)

Reasons why project is exempt: Class 3 because the project involves the extension of an existing small structure (shade cover). Class 4 because the project is a minor alteration to the condition of land that does not involve the removal of healthy, mature, or scenic trees.
