

Section 15304(f) Minor Alterations to Land (Class 4): The Class 4 Categorical Exemption consists of minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for forestry or agricultural purposes. Example (f) includes minor trenching and backfilling where the surface is restored. The JRP includes trenching to accommodate the conduit installation which will be backfilled and the surface restored to match surrounding conditions.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of the categorical exemption CEQA Guidelines Section 15301 (Existing Facilities), Section 15303 (New Construction or Conversion of Small Structures) and Section 15304 (Minor Alterations to Land); Therefore the Project is exempt from CEQA and no further environmental review is required.
