Name of Public Agency Approving Project: Port of Long Beach
Name of Person or Agency Carrying out Project: Port of Long Beach and Harmony Kiosk, LLC

Exempt Status: (check one):

- Ministerial Exemption [Section 21080(b)(1); 15268];
- Declared Emergency (Section 21080(b)(3); 15269(a));
- Emergency Project [Section 21080(b)(4); 15269(b)(c)]
- Categorical Exemption.
State type and section number: Section 15301 Existing Facilities (Class 1)
- Statutory Exemption.
State code number:
- Common Sense Exemption (Section 15061(b)(3))

Reasons why project is exempt:

Section 15301 Existing Facilities (Class 1): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The action merely involves a second amendment to the existing Lease HD-9615 with Harmony Kiosk, LLC, extending the term of the lease for three years and adjusting the hours of operations. No other changes are proposed to the terms of Lease HD-9615 or to the existing use of the premises; therefore, the second amendment to Lease HD-9615 would involve no expansion of existing use.

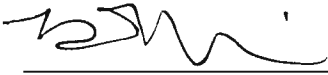

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of the categorical exemption CEQA Guidelines Section 15301 (Existing Facilities); therefore, the Project is exempt from CEQA and no further environmental review is required.
