**Project Title:**

*Bagdouma Park Tree Planting Project*

---

**Project Location:**

*Bagdouma Park 51-723 Douma St. Coachella, CA 92236*

---

**Description of Project:**

*The purpose of this project is to celebrate National Arbor Day on Saturday, February 22<sup>nd</sup> at Bagdouma Park to further enhance the City's urban forest and further activate the park by increasing natural shade canopies provided by the trees. The trees will be sourced by the Urban Conservation Corps of the Inland Empire.*

---

**Public Agency Approving Project:**

*City of Coachella*

---

**Agency Carrying Out Project:**

*City of Coachella  
Urban Conservation Corps of the Inland Empire*

---

**Exempt Status:**

*This project qualifies as a categorical exemption, under CEQA Guidelines Section 15061(b)(3).*

---

**Reasons why project is exempt:**

*The proposed project will be planting 65 trees at Bagdouma Park to enhance the City's urban forest, increase natural shading, and reduce the heat island effect within the community. The project will not be removing any existing trees and excavation to plant the new trees will not exceed five feet in depth. City and Agency Staff have determined that the proposed project is categorically exempt from the California Environmental Quality Act (CEQA), pursuant to State CEQA Guidelines Section 15061(b)(3) – Common Sense Exemption. Section 15061(b)(3) states that a project is exempt from CEQA if it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment. Since the proposed project will be increasing the amount of trees within an existing park, it can be seen with certainty that the proposed project will not have a significant effect on the environment.*
