SUBJECT: Filing of a Notice of Exemption for Planning Application No. LR23-0494, a Fourth Specific Plan Amendment to the Temecula Regional Center Specific Plan for a technical change to the document so the square footage in the Specific Plan reflects existing conditions/entitled projects.

Dear Sir/Madam:

Enclosed is the Notice of Exemption for the above referenced project. In addition, pursuant to Assembly Bill 3158 (Chapter 1706) the Applicant will pay for the County Administrative fee to enable the City to file the Notice of Exemption required under Public Resources Code Section 21152 and 14 California Code Regulations 1507. The payment of the \$50.00 filing fee is under protest. It is the opinion of the City that the administrative fee has been increased in a manner inconsistent with the provisions of State Law. Under Public Resources Code Section 21152 and 14 California Code Regulations 1507, the County is entitled to receive a \$25.00 filing fee.

Also, please email a stamped copy of the Notice of Exemption **within five working days** after the 30-day posting to the email listed below.

If you have any questions regarding this matter, please contact Scott Cooper at (951) 506-5137 or at email scott.cooper@TemeculaCA.gov.

Sincerely,

Matt Peters

Interim Director of Community Development

Statement of Reasons Supporting the Finding that the Project is Exempt:
