

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

The Board of Directors of the Ivanhoe Public Utility District (District) hereby gives notice, pursuant to California Public Resources Code section 21092, that it intends to adopt a Mitigated Negative Declaration with respect to a proposed project.

Project Title	Well No. 6 Improvements
Project Description	The Project consists of the construction and operation of a granular activated carbon (GAC) treatment system to address 1,2,3-TCP contamination in the extracted groundwater. Construction includes the installation of two (2) 12-foot diameter treatment vessels, a 50,000 gallon above-ground storage tank, booster pump and associated piping and appurtenances at Well No. 6.
Project Location	Northeast corner of the intersection of Road 156 and Avenue 330, Ivanhoe, CA, in the Southwest quarter of Section 1, T18S, R25E, MDB&M.
Determination of Impacts	The Project is not anticipated to have any long-term negative environmental impacts. Short-term construction related potential impacts will be mitigated to a less than significant level by use of construction specifications requiring proper and defined mitigation measures.

The Initial Study of the potential environmental impacts for the proposed Project indicates that the proposed Project will have no significant effect on the environment through the use of defined mitigation measures. In light of the foregoing, at their February 3, 2025, meeting, the Board of Directors of the District adopted a resolution authorizing this Notice of Intent to Adopt a Mitigated Negative Declaration.

The public review of this matter shall be deemed to have begun with the adoption of the aforementioned resolution on February 3, 2025. The last day for the public review period shall be deemed to be March 5, 2025. During the public review period, copies of the proposed Mitigated Negative Declaration and Initial Study may be obtained at the office of the District. The District will receive written comments on the proposed Mitigated Negative Declaration during the public review period. Comments should be sent to Dennis R. Keller, Registered Civil Engineer, P.O. Box 911, Visalia, CA 93279, or kelweg1@aol.com.

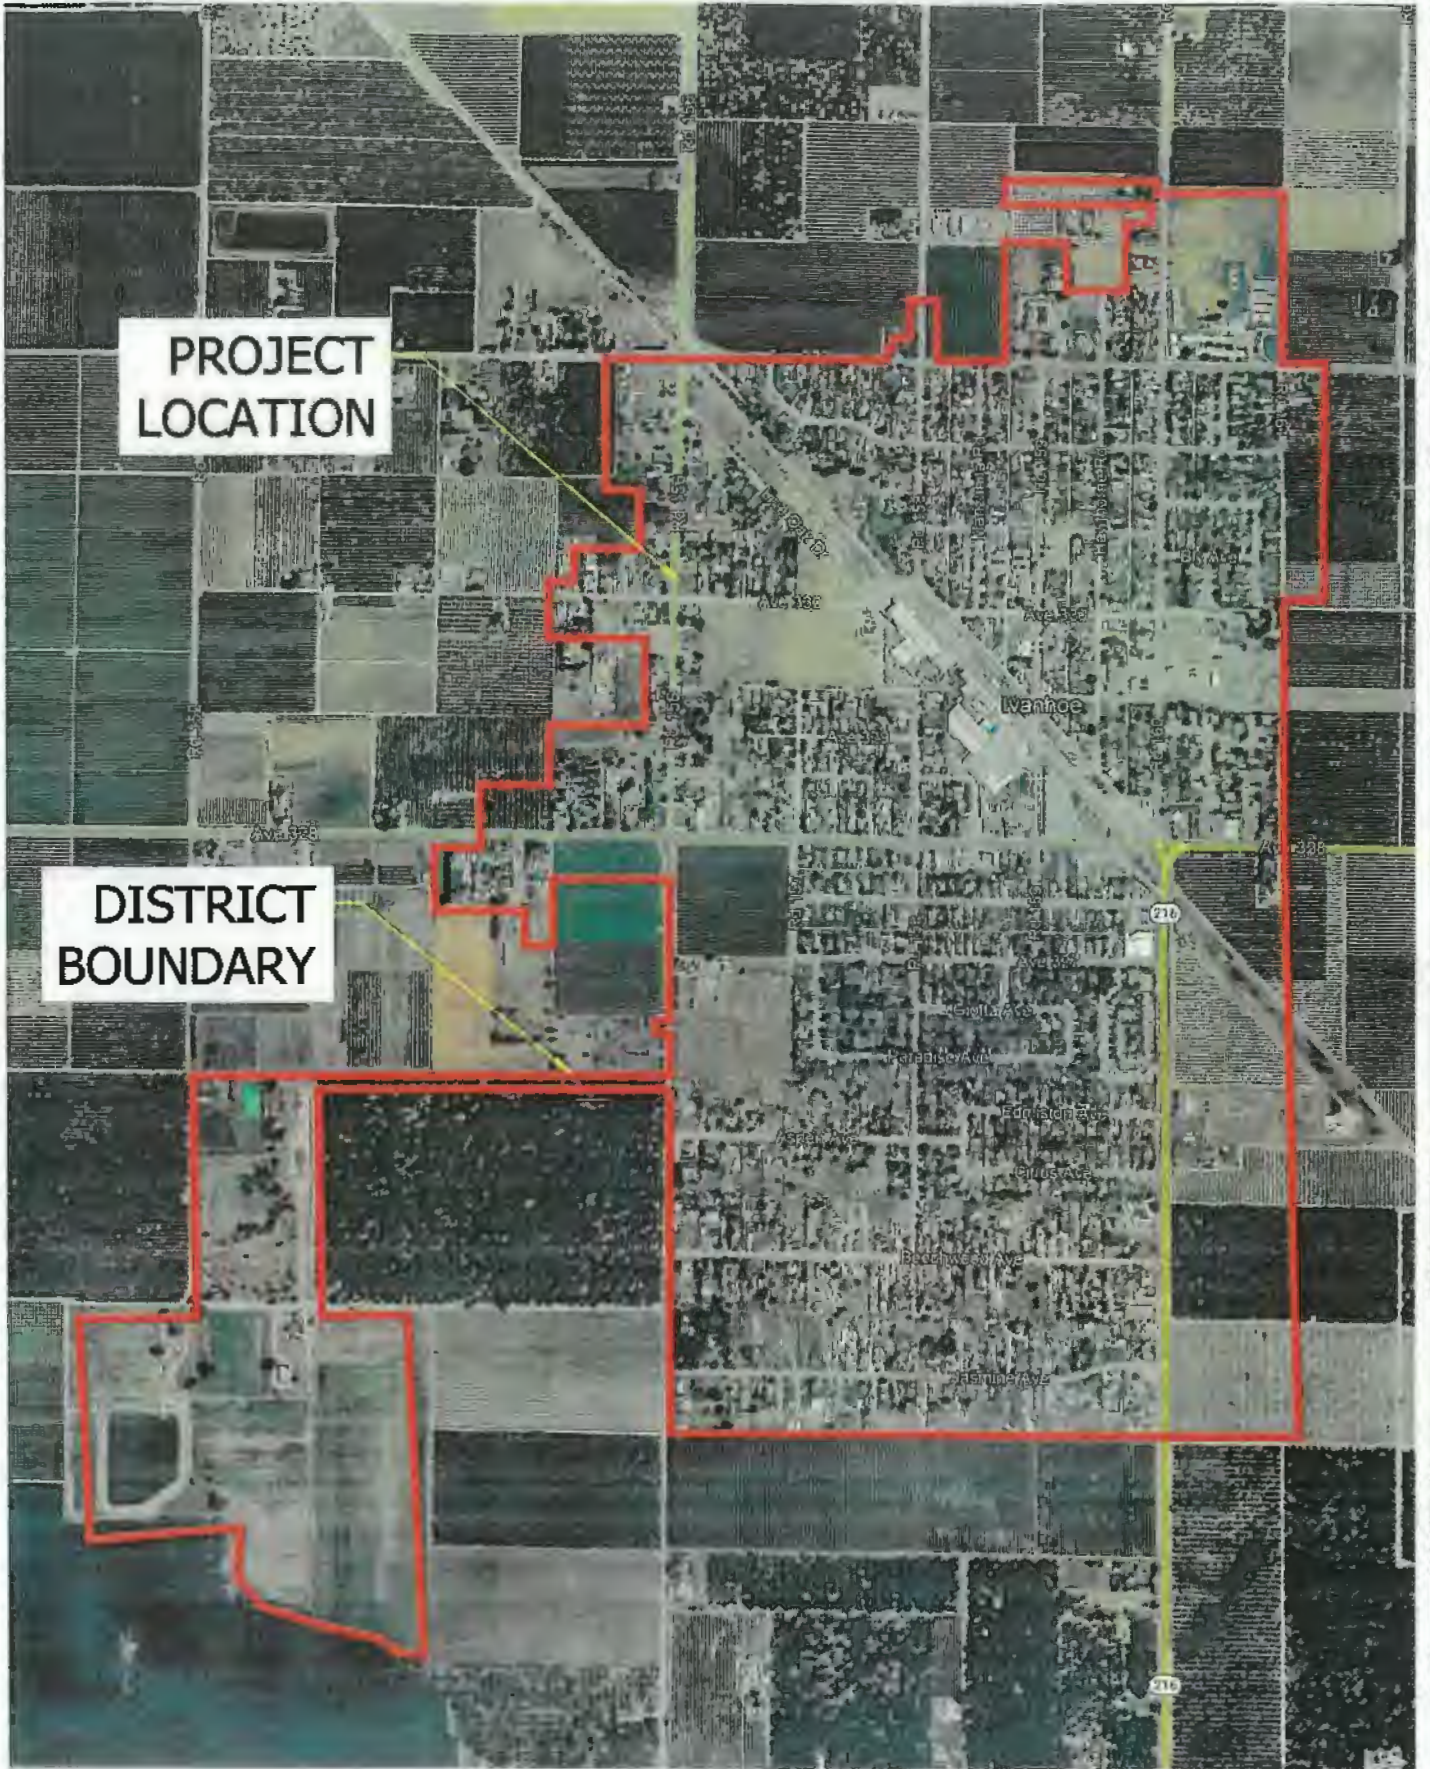

A Public Hearing on the adoption of the proposed Mitigated Negative Declaration will occur during the Board of Directors meeting of the District scheduled to commence at 6:00 p.m. on Monday, April 7, 2025, at its office located at the below noted address.

Additional accommodations for the public hearing can be arranged by contacting the District office at (559) 798-0512.
