**Present Land Use/Zoning/General Plan Designation:**

Open Space and Very Low Density Residential

**Project Description:** (please use a separate page if necessary)

Caltrans proposes to realign State Route 138 (SR-138) from 1.0 mile east of Interstate 15 (I-15) to just west of Hog Ranch Creek Bridge, near the City of Hesperia, in San Bernardino County. The proposed project would revise the vertical and horizontal alignments within this segment to enhance safety and reduce the number of run-off-the-road and cross-centerline collisions. The project would perform drainage improvements and upgrade the guardrails at the easternmost end of the project limits.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

## Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".  
If you have already sent your document to the agency please denote that with an "S".
