Present Land Use/Zoning/General Plan Designation:

General Plan Designation: Single-Family Residential; Zoning: Traditional Residential (RD-1)

Project Description: (please use a separate page if necessary)

The proposed project would subdivide the existing single parcel into two parcels: Parcel A and Parcel B. Although the project would not include any new development at this time, conceptual designs have been provided to help anticipate the potential environmental impacts that could occur when Parcel A and B are developed with new single-family residences in the future.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
