

PLEASE TAKE NOTICE THAT THIS HEARING WILL TAKE PLACE AT A MEETING HELD PURSUANT TO GOVERNOR GAVIN NEWSOM'S EXECUTIVE ORDER N-29-20 SOLELY BY ELECTRONIC MEANS.

**NOTICE OF PUBLIC HEARING
MOD to CUP #6222**

Project Location: 3420 and 3500 N. Arroyo Blvd., Pasadena, CA

Subject: An appeal of the Modification to Conditional Use Permit #6222 has been filed with the Board of Zoning Appeal. The Modification to Conditional Use Permit #6222 was approved by the Hearing Officer at the January 6, 2021 public hearing. The applicant, City of Pasadena, Water and Power Department, submitted a request to allow repair and replacement of City's water infrastructure facilities within the Upper Arroyo Seco that were damaged by debris flows caused by storms following the 2009 Station Fire. Damage to these structures has greatly reduced the City's capacity to divert water from the Arroyo Seco for spreading and pumping credits. The proposed improvements would allow for increased utilization of the City's pre-1914 surface water rights from the Arroyo Seco. A Conditional Use Permit is required for improvements within the Open Space (OS) Zoning District.

Environmental Determination: The Board of zoning Appeals will consider whether to certify a Final Environmental Impact Report (FEIR) and adopt CEQA Findings and a Mitigation Monitoring and Reporting Program for the proposed project, and whether to adopt a Statement of Overriding Considerations. The FEIR identified potentially significant effects related to the following topics: Biological Resources, Cultural and Tribal Cultural Resources, Hazards and Hazardous Materials, Noise, Recreation, and Transportation. With incorporation of mitigation measures, the FEIR determined that all potentially significant effects would be reduced to a less-than-significant level, with the exception of impacts related to Cultural Resources, which would remain significant and unavoidable after mitigation.

Hazardous Material: The Project site is not listed on any hazardous materials or waste databases pursuant to Section 65962.5 of the Government Code.

Availability of Environmental Documentation: The Initial Study and FEIR and technical reports can be viewed on the City's environmental notices webpage at <https://www.cityofpasadena.net/planning/arroyo-seco-canyon-project-areas-2-and-3/>
