Project Description

Project Title: Deep Creek Road Flume Installation

Project Location: Two locations along Deep Creek Road, one adjacent to Happy Valley Road and the other adjacent to Alpine Road in Apple Valley, San Bernardino County.

Project Description: The maintenance activities involve the installation of two metal flume inlet drains along Deep Creek Road. Clearing and grading will be necessary to prepare the sites for the proper installation of the flumes. The purpose of these activities is to address recurring drainage issues, improve water flow management, and reduce the need for ongoing maintenance. The installation of the flume inlet drains will enhance road stability and safety, while preventing water-related damage to the road infrastructure.
