Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in. Authority cited: Section 21083, Public Resources Code. Reference: Section 21161, Public Resources Code.

Present Land Use/Zoning/General Plan Designation: General Plan Designation - Agricultural General (AG) Zoning- X Special Use District of Amador County

Project Description: The Project would include the installation of a new water distribution system to provide potable water to 14 existing residences. The existing water distribution system would remain in place to provide water for irrigation and fire protection services only, while a new distribution system connected to the Jackson Valley Irrigation District would provide potable water to the 14 existing residences.
