Project Title: Camp Glenn Rockey Security Upgrades Project

Project Applicant: Los Angeles County

Project Location - Specific:
1900 Sycamore Canyon Road, San Dimas, CA 91773

Project Location - City: San Dimas Project Location - County: Los Angeles

Description of Nature, Purpose and Beneficiaries of Project:

Installation of a new security booth approximately 8-feet by 6-feet and one camera post, which would augment video monitoring of activities in the parking lot; installation of a new speed bump at the driveway entry; the addition of code compliant accessible path of travel to the facility entrance; installation of a new backup generator with a 24-hour fuel tank; replacement of existing manual transfer switch with an automatic transfer switch; and the addition of an annunciator panel and appurtenant electrical upgrades at the pump house. The generator would provide supplemental backup power to support uninterrupted flow of water to the facility. Additionally, the existing nonnative trees that are required to be removed would be replaced with live oak trees at the pump house location.

Statutory Exemptions. State code number:

Reasons why project is exempt:

On February 4, 2025 the Los Angeles County Board of Supervisors found the project to be categorically exempt since the project is within certain classes of projects that have been determined negligible or no expansion of existing facilities and do not include removal of native trees. The project is not located in a zone designated as a "Sensitive Ecological Area." The project will comply with applicable regulations, and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste sites, or indications that it may cause a substantial adverse change in the significance of a historic resource.
