Project Description (Proposed actions, location, and/or consequences).

The Project consists of three trail improvement elements at the Marin Council of the Boy Scouts of America's (MCBSA) Camp Tamarancho facility, located in unincorporated Marin County adjacent to the City of Fairfax (see Figure 1). Two of these trail segments, the Lower Caballo Rojo Trail and Broken Dam Trail, are proposed by the MCBSA; the third trail segment, the Saddlecut Road to Trail, is proposed by the Marin County Open Space District (MCOSD). The three trail improvements would be integrated into the facility's existing trail system to improve safety and for erosion reduction.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

None identified (see Initial Study for more information).

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
