

Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

Project Title: Ukiah Climate Action Plan

Lead Agency: City of Ukiah

Contact Name: Katherine Schaefers

Email: kschaefers@cityofukiah.com

Phone Number: (707) 463-6203

Project Location: Ukiah
City

Mendocino
County

Project Description (Proposed actions, location, and/or consequences).

The City of Ukiah is preparing the Ukiah Climate Action Plan (CAP). The City is preparing the CAP to address communitywide greenhouse gas (GHG) emissions and the impacts of climate change. The City is committed to an emissions reduction target of 40 percent below 1990 levels by 2030. This 2030 GHG emissions goal is selected to be consistent with SB 32 State emissions targets and the California Environmental Quality Act (CEQA) guidelines for a qualified GHG emissions reduction strategy, and to be achievable by City-supported measures and actions identified in the CAP. To achieve that target, the City has developed 15 CAP GHG reduction measures related to building energy, transportation, solid waste, water and wastewater, and carbon sequestration.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Aesthetic/Visual; Agricultural Land; Air Quality; Archaeological/Historical; Biological Resources; Drainage/Absorption; Flood Plain/Flooding; Forest Land/Fire Hazard; Geologic/Seismic; Minerals; Noise; Population/Housing Balance; Public Services/Facilities; Recreation/Parks; Schools/Universities; Soil Erosion/Compaction/Grading; Solid Waste; Toxic/Hazardous; Traffic/Circulation; Vegetation; Water Quality; Water Supply/Groundwater; Wetland/Riparian; Land Use; Cumulative Effects; GHG Emissions

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

[Empty box for describing areas of controversy]

Provide a list of the responsible or trustee agencies for the project.

Air Resources Board; Caltrans District 1; Fish & Game Region 1; Native American Heritage Commission; Regional Water Quality Control Board 1; Mendocino County Air Quality Management District
