Project Applicant: Caltrans District 08

Project Location - Specific: Post Mile (PM) 7.6

Project Location - City: Fontana Project Location - County: San Bernardino

Description of Nature, Purpose, and Beneficiaries of Project:

The project proposes to upgrade existing cameras at the District 8 Inland Empire Transportation Management Center (IETMC) in the city of Fontana, in San Bernardino County. The project will replace outdated and degraded analog cameras and related equipment (wiring, connectors and servers) within the digital camera system. This will improve the capability of IETMC personnel to monitor and view the inside and outside grounds more clearly and effectively. All work will be performed within the State Right of Way and there will be no trenching or digging required and no plants or shrubs will be removed or trimmed. Also, no street or parking space closures will be required.
