- Categorical Exemption:** Sec. G 15301 - Existing Facilities
- Declared Emergency:** Sec. C 21080(b)(3); Sec. G 15269(a)

Statement of reasons why project is exempt: Section 15301 of the State CEQA Guidelines exempts the “operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features involving negligible or no expansion of existing or former use.” The key consideration in applying this exemption is whether the proposed action involves expansion of an existing or former use. The proposed action consists of approval of the use of premises for a special event, utilizing existing public airport’s ancillary facilities. Issuance of the permit identified above will not result in an expansion of uses of existing facilities. Accordingly, the proposed action is exempt from CEQA review pursuant to Section 15301 of CEQA Guidelines.
