Project Title: Recycling Asphalt, Concrete Materials, and Other Related Services at Port Crusher Site Contract – Advertise for Bids

State Clearinghouse No.:

Project Location – Specific: Long Beach Harbor District

Project Location – City: Long Beach

Project Location – County: Los Angeles County

Description of Nature, Purpose and Beneficiaries of Project: The Long Beach Board of Harbor Commissioners authorized the Chief Executive Officer to advertise for bids for a Recycling Asphalt, Concrete Materials, and Other Related Services at Port Crusher Site Contract under Specification HD-S3224. The Port recycles asphalt and concrete material that has been demolished or removed during Port projects and operations. The reuse of these materials has both cost and environmental benefits to the Port. This contract allows for the Port to continue to provide recycled materials for projects and operations. The proposed contract term is two years from the Notice to Proceed date.

Name of Public Agency Approving Project: Port of Long Beach

Name of Person or Agency Carrying out Project: Port of Long Beach

Exempt Status: (check one):

- Ministerial Exemption [Section 21080(b)(1); 15268];
- Declared Emergency (Section 21080(b)(3); 15269(a));
- Emergency Project [Section 21080(b)(4); 15269(b)(c)]
- Categorical Exemption.

State type and section number: Section 15301 Class 1, Existing Facilities; Section 15304 Class 4, Minor Alterations to Land

- Statutory Exemption.

State code number:

- Common Sense Exemption (Section 15061(b)(3))

Reasons why project is exempt:

Section 15301 Existing Facilities (Class 1): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The Recycling Asphalt, Concrete Materials, and Other Related Services at Port Crusher Site Contract consists of the operation, maintenance, and minor alteration of mechanical equipment or topographical features related to recycled materials at the Port Crusher Site, involving no expansion of existing or former use.

Section 15304 Minor Alterations to Land (Class 4): The Class 4 Categorical Exemption consists of minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for forestry or agricultural purposes. Activities under the Recycling Asphalt, Concrete Materials, and Other Related Services at Port Crusher Site Contract may involve minor alterations in the condition of land which do not involve removal of healthy, mature, scenic trees.

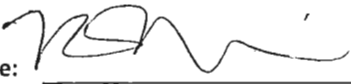

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of the categorical exemption in CEQA Guidelines Section 15301 (Existing Facilities) and/or Section 15304 (Minor Alterations to Land); Therefore, the Project is exempt from CEQA and no further environmental review is required.
