Project Title: Marina Pumping Plant No. 2 Site Improvements

Project Location: The project is located at 6120 E. Pacific Coast Highway in the City of Long Beach

Project Description: This project will provide improve safety, security, aesthetics, reliability, and capacity improvements for Marina Pumping Plant No. 2. The scope of work includes construction of a new building to house electrical equipment and a restroom, installation of perimeter security fencing, removal of underground wet well grating and ladder steps, installation of concrete site paving, replacing the existing pumps with similarly rated pumps, replacing the piping inside an underground structure that houses pumps, replacing and upgrading electrical equipment and controls, modification of the ventilation system, and replacement of the existing valves inside a buried structure.

Public Agency

Approving Project: Sanitation District No. 3 of Los Angeles County

Person or Agency

Carrying Out Project: Sanitation District No. 3 of Los Angeles County

Exempt Status: (check one)

- Ministerial
- Declared Emergency
- Emergency Project
- Categorical Exemption - Section 15301, 15302 and 15303 of the CEQA Guidelines
- Statutory Exemption - Section 21080(b)(4) of the Public Resources Code

Reasons Why

Project Is Exempt: The project includes repairs and modifications to an existing public facility with no expansion of use. The project includes replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced including existing utility systems involving negligible expansion of capacity. The project includes construction of limited numbers of new, small facilities. Further, the project is also necessary to prevent or mitigate an emergency.
