Attn: Don Allee

THIS SPACE FOR COUNTY CLERK'S USE ONLY

NOTICE OF CEQA EXEMPTION

December 18, 2024

- 1. **Project Name:** Archdiocese of San Francisco Design Review (P4506)
- 2. **Project Location:** 675 Sir Francis Drake Boulevard, Kentfield, California 94904
- 3. **Project Summary:**

Marin Catholic High School, a private educational institution in the unincorporated community of Kentfield, proposes to install a new field lighting system and wayfinding lighting at its athletic stadium (Don Ghilotti Motta Athletic Stadium). The proposed field lighting system includes four galvanized steel standards (poles), equipped with different fixture arrays, mounted on pre-cast concrete bases of approximately 16 square feet each. The poles would reach a maximum height of 80 feet above grade and be symmetrically positioned within the athletic stadium. The proposed wayfinding lighting includes 16 die-cast aluminum poles, each equipped with a single arm supporting the lighting fixture. The poles would reach a maximum height of 16 feet above grade and would illuminate the pedestrian paths outside of the athletic stadium. Marin Catholic would operate the field lighting system for no more than 135 calendar days in any given year, arranged as follows: competitive field lights concluding at approximately 9:30 p.m. are limited to 10 total days per calendar year; competitive field lights concluding at approximately 8:15 p.m. are limited to 55 total days per calendar year; practice field lights concluding at 7:15 p.m. are limited to 45 total days per calendar year; and practice field lights concluding at 9:15 p.m. are limited to 25 total days per calendar year.

- 4. **Public Agency Approving Project:** Community Development Agency
- 5. **Project Sponsor:** Archdiocese of San Francisco
- 6. **CEQA Exemption Status:** State CEQA Guidelines Section 15311, Class 11, and Section 15314, Class 14
- 7. **Reasons for Exemption:** The project is categorically exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to Section 15311, Class 11, of

C-25-11

POSTED 12/20/2024 TO 01/19/2025

the State CEQA Guidelines, because it involves the construction of minor structures accessory to the existing high school, which would not have a potentially significant impact on the environment. Additionally, the project is categorically exempt under Section 15314, Class 14, because the project constitutes a minor addition to the existing school within existing school grounds and would not result in a potentially significant environmental impact.

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- Mail filing fees for **CRP** document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) *(Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))*

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.
