

**NOTICE OF DETERMINATION**

TO: [X] Office of Planning and Research  
P.O. Box 3044  
Sacramento, CA 95812-3044

For Clerk Use Only

[X] County Clerk  
County of Butte  
155 Nelson Ave  
Oroville, CA 95965

FROM: City of Chico, Public Works Department  
P. O. Box 3420  
Chico, CA 95927  
(530) 879-6900

**DATE RECEIVED FOR FILING**  
Posted: 4/21 through \_\_\_\_\_  
(date) (date)

**Subject:** Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code

**Project Title** Guynn Avenue Bridge Replacement Project (Capital Project # 50232)

**Project Applicant and Lead Agency Contact:** City of Chico, Brendan Ottoboni, Director of Public Works – Engineering (530) 879-6900

**Project Location:** The Project is located on Guynn Avenue at Lindo Channel in the City of Chico, California, latitude 39.743599, longitude -121.875913.

**Description of Project:** The proposed Project involves the demolition and replacement of the existing structurally deficient single-lane Guynn Bridge. The new structure will accommodate two 11-foot travel lanes, five-foot shoulders, and a six-foot sidewalk on the east side. The new bridge is anticipated to be an approximately 90 foot long single-span, precast, prestressed concrete box beam. Construction of the bridge will involve excavation for, and construction of, concrete abutments on deep foundations. Temporary work within Lindo Channel includes installation of scour countermeasures at the support locations. Lindo Channel is typically dry during the construction season. However, if water is present, the use of a diversion system to ensure completion of all in-channel activities within established work windows may be necessary. Construction of the roadway approaches will involve the removal of existing pavement and placement of aggregate base and hot mix asphalt pavement. New curb, gutter, and sidewalk will be constructed on the approach roadways.

This is to advise that the City of Chico, as Lead Agency, approved the above-described project on 4/21/2025 and made the following determinations regarding the above-described project:

- 1. The project will not have a significant effect on the environment.
- 2. A Mitigated Negative Declaration was adopted for this project pursuant to the provisions of CEQA.
- 3. Mitigation measures were made conditions of the approval for the project.
- 4. A mitigation reporting or monitoring plan was adopted for the project.
- 5. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Mitigated Negative Declaration is available for public review at the City's website: <https://chico.ca.us/Departments/Engineering/Capital-Projects/Guynn-Avenue-Bridge-Replacement-Project/index.html>.
