**Reasons why project is exempt:** The project meets all of the requirements of the Infill Development Project exemption (Section 15332). The project is consistent with the applicable General Plan designation and policies, and with the applicable zoning designation and regulations. The project occurs within the Berkeley City limits on a project site of no more than five acres and is surrounded by urban uses. The parcels within the project site have previously been developed and have no value as habitat for endangered, rare or threatened species. The project will not result in any significant effects relating to traffic, noise, air quality or water quality. City Standard Conditions will address potential impacts related to traffic, noise, air quality, and water quality. The site can be adequately served by all required utilities and public services. Furthermore, none of the exceptions in CEQA Guidelines Section 15300.2 apply, as follows: (a) the site is not located in an environmentally sensitive area, (b) there are no cumulative impacts, (c) there are no significant effects, (d) the project is not located near a scenic highway, (e) the project site is not located on a hazardous waste site pursuant to Government Code Section 65962.5, and (f) the project will not affect any historical resource.
