San Jose, CA 95110

County Clerk
County of: Santa Clara
110 W. Tasman Drive, 1st Floor
San Jose, CA 95134

(Address)

Project Title: Page Mill Road Intersection Improvements at El Camino Real

Project Applicant: County of Santa Clara Roads and Airports Department

Project Location - Specific:

Page Mill Road at El Camino Real and Hanover Drive

Project Location - City: Palo Alto Project Location - County: Santa Clara

Description of Nature, Purpose and Beneficiaries of Project:

The project, within Caltrans right-of-way, proposes to modify an existing traffic signal by removing the median poles and installing the left turn arrowheads on the mast arm poles. Additionally, the project will shift the median on the westbound approach to allow for a dedicated right turn and longer left turn lanes and introduce a bulbout instead of free channelizing right turn for the eastbound approach. There will also be some median work, curb ramps and signing and striping.

Name of Public Agency Approving Project: County of Santa Clara

Name of Person or Agency Carrying Out Project: County of Santa Clara Roads and Airports Department

Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: Class 1-Section 15301, Class 2-Section 15302, Class 3-Section 15303
- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The proposed project meets the definition of the Categorical Exemptions listed above. The proposed project would make various streetscape improvements, including removal of median poles and modifying existing traffic signals, shifting one median, and introducing bulbouts. The project would not require right-of-way acquisition and would not substantially alter existing circulation patterns. The project would not introduce a new use to the El Camino Real corridor and would result in negligible to no expansion of existing uses along Page Mill Road or El Camino Real. Per section 15300.2 of the California Environmental Quality Act (CEQA) Guidelines, it has been determined that the project does not contain environmental resources of hazardous or critical concern, would not result in a significant impact due to unusual circumstances, damage scenic resources, affect a historic resource, or result in a cumulative impact. Geotracker was reviewed, and there is one active site (Case #43S1170 for trichloroethylene opened on 4/4/2019) near the project but is not within the project limits. For these reasons and those stated above, the project is exempt from the provisions of CEQA.

Lead Agency
Contact Person: Nora Chung, PE Area Code/Telephone/Extension: 408-494-1390

If filed by applicant:

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project? • Yes No
