PROJECT LOCATION: 6517 E MERIDIAN ST, LOS ANGELES, CA 90042

DESCRIPTION OF NATURE, PURPOSE, AND BENEFICIARIES OF PROJECT: Sidewalk Repair Rebate Program – 6517 E MERIDIAN ST (Project) consists of the repair of existing sidewalks as a cost-sharing program pursuant to fulfilling the City of Los Angeles' obligations under the *Willits* Settlement Agreement (U.S. Dist. Court Case No. CV10-05782 CBM [RZX]). The scope of work is limited to the removal of the specific Americans with Disabilities Act (ADA) access barrier(s) and adjacent work for the purpose of barrier removal, as identified by the property owner, in accordance with the applicable accessibility requirements, including those required by the ADA. The beneficiaries of the Project include the public, the property owner, and local businesses in the vicinity. The Project includes the removal of one street tree at the project location. The tree needs to be removed as part of the sidewalk repair which would require a separate discretionary approval by the Bureau of Street Services, Urban Forestry Division or the Board of Public Works. Please see the project description continuation in the narrative for more details. The Bureau of Street Services (StreetsLA) / The Board of Public Works determined the project was exempt from the California Environmental Quality Act (CEQA) and approved the tree removal on January 30, 2025.
