Project Description

Project Title: San Bernardino County Maintained Roads: Yard 10 Road Shoulder Improvements

Project Location: Project is located within Operations Yard 10 limits, which spans across the Town of Yucca Valley, City of Twentynine Palms and in the unincorporated community of Joshua Tree, in San Bernardino County (See Exhibit A)

Project Description: This routine maintenance project consists of applying asphalt grindings, or millings, to multiple, degraded road shoulders in the Yard 10 area to improve the stability, durability, and safety of roadways. Asphalt grindings create a solid, stable surface that reduces erosions, enhances drainage, and decreases the need for frequent maintenance. Additionally, two stockpiling locations have already been established for the temporary storage of the grindings during the project.

Exempt Status: (check one)

- Ministerial [Sec. 21080(B)(1); 15268];
 Declared Emergency [Sec. 21080(B)(3); 15269(a)];
 Emergency Project [Sec. 21080(B)(4); 15269(b)];
 Categorical Exemption. State type and section: Class 1, Section 15301, Existing Facilities
 Statutory Exemptions. State code number: _____
 Other Exemption: Class 4, Section 15304 Minor Alterations to Land

Reasons why project is exempt: Section 15301 of the California Environmental Quality Act (CEQA) Guidelines addresses the repair, maintenance, or minor alteration of existing facilities, which includes roadways. Section 15304 allows for minor grading activities or land improvements that do not result in significant environmental impacts.
