**Staff Determination:**

District staff, having undertaken and completed an initial study of this project in accordance with Article V of the District's guidelines entitled "Local Guidelines Implementing the California Environmental Quality Act," for the purpose of ascertaining whether the proposed project might have a significant effect on the environment, has reached the following conclusion:

- The project will not have a significant effect on the environment. Therefore, a negative declaration should be prepared.
- The project, if modified in accordance with certain mitigation measures set forth in the initial study and enumerated in Exhibit "E" attached hereto and by reference incorporated herein, will not have a significant effect on the environment. Upon completion of such procedures as may be necessary to assure such modification, a negative declaration should be prepared.
- The project may have a significant effect on the environment. Therefore, an EIR will be required.
- The project is categorically exempt under Section 15301.  
Applicable Exemption Class: Maintenance of Existing Facilities
