Project Description

San Francisco Municipal Transportation Agency (SFMTA) proposes to implement traffic changes in conjunction with improvements proposed by the San Francisco Recreation and Park Department (RPD).

The SFMTA would make the following traffic modifications on Sloat Boulevard from Upper Great Highway to 47th Avenue and on Lincoln Way from Upper Great Highway to Martin Luther King Jr. Drive:

- Turn restrictions to prohibit vehicular access to the Upper Great Highway, between Lincoln Way and Sloat Boulevard, excepting emergency and other authorized vehicles
- New protected (Class IV) bicycle facilities on Sloat Boulevard and Lincoln Way for connections to the Upper Great Highway
- Minor bus stop relocation for the Muni route 18 46th Avenue (on Lincoln Way)

San Francisco Recreation and Parks (RPD) proposes minor roadway modifications to Upper Great Highway from a point 400 feet north of Lincoln Way to the intersection of Sloat Boulevard and Great Highway to improve wayfinding and ensure the safety of all non-vehicular users of this space and to reduce social trails on the dunes, as follows:

- Pedestrian-only signage and stencils on the west side of the Upper Great Highway; bicycle-only signage and stencils on the east side of the Upper Great Highway
- New protected bikeway for connections from the O’Shaughnessy Ocean Beach Parking Lot to Lincoln Way
- Intersection safety barriers (at Lincoln Way and Sloat Boulevard) to reinforce traffic and turn restrictions
- Low-profile fencing and signage along the length of the Upper Great Highway’s west side to reduce pedestrians walking on the dunes and support visitors to stay on non-dune surfaces

Determination

The City and County of San Francisco decided to carry out or approve the project on December 3, 2024, when the SFMTA Board of Directors approved the project. The project was officially approved on January 3, 2025, when no appeal of the statutory exemption was filed during the 30-day appeal period. A copy of the documents may be examined at the Planning Department, 49 South Van Ness Avenue, Suite 1400, San Francisco, CA, 94103 in file no. 2024-010317ENV.
