**NOTICE OF INTENT TO ADOPT A  
MITIGATED NEGATIVE DECLARATION**

April 2, 2025

Dear Property Owner or Agency:

This notice is being sent to property owners within or near the area shaded on the attached map and to all public agencies that are reviewing agencies for this environmental document. The attached map shows the property for which Zinco Holding, LLC, is requesting approval of Subdivision Map Application S-2022-02416, Zinco Subdivision, to subdivide approximately 4.4-acres into 16 single-family residential lots on properties located at 3150 and 3250 Jordan Lane. In conjunction with Subdivision Map Application S-2022-02416, Rezoning Application RZ-2024-00156 seeks to change the zoning of both properties from "RS-3" Residential Single-Family District to "RS-3.5" Residential Single-Family District.

The City of Redding Planning Division has reviewed the project and, based upon the whole record before the City (including the Initial Study and any supporting documentation), is recommending that a Mitigated Negative Declaration\* be adopted pursuant to the California Environmental Quality Act.

All interested persons are invited to comment in writing on the draft Mitigated Negative Declaration to the Planning Division prior to the end of the public review period. The comment period for the Mitigated Negative Declaration begins on April 2, 2025 and ends on May 2, 2025 at 5:00 p.m. Subsequent notification will be made for all public hearings scheduled for consideration of the environmental document and project approval. Adoption of the Mitigated Negative Declaration will conclude the environmental review of the project.

The Initial Study, site plan, project description, draft Mitigated Negative Declaration, and other information concerning the project are available for public review from 8:00 a.m. to 3:00 p.m. weekdays at the Development Services Department Permit Center, 777 Cypress Avenue, Redding, CA 96001, and online at: [www.cityofredding.gov](http://www.cityofredding.gov) (*Development Services/Planning/City Planning Projects*). For more information, please contact Danny Castro, Associate Planner, by email at [dcastro@cityofredding.org](mailto:dcastro@cityofredding.org), or by telephone at (530) 225-4471.

A handwritten signature in blue ink, appearing to read "Lily Toy", is written over a horizontal line.

\*A Mitigated Negative Declaration is a determination that a project will not have a significant impact on the environment because of mitigation measures that have been added to the project.

The purpose of the public hearing is to obtain information from the public concerning the project described above. At the hearing, the Planning Commission will consider the information provided by the public, the applicant, and staff and then determine whether to approve or deny the project. In most cases, the project will not be before the Planning Commission unless staff is recommending approval of the project. If you challenge the project or decision in court, you may be limited to raising only those issues you raised at the public hearing described in this notice, or in written correspondence delivered to the Planning Commission at, or prior to, the public hearing.
