San Bernardino, CA 92415-0130

Project Description

Project Title: Main Street and Other Roads (H15287)

Project Location: The project will occur over approximately 41.02 miles of roads in the Hinkley upper desert area of San Bernardino County. (See attached Location Map).

Project Description: This project involves essential road preparation and maintenance work aimed at improving roadway conditions and extending the lifespan of the infrastructure. The scope includes crack-sealing and pothole repairs, followed by the application of a leveling course of less than 1" of asphalt concrete (AC) pavement. A chip seal process will be applied, starting with sweeping the roadway, followed by the application of a chip seal coat, fog seal, and scrub seal to enhance the pavement's durability and smoothness. Additionally, pavement markings will be refreshed to ensure clear road guidance. Shoulder work will be performed to stabilize and reinforce the road shoulders, ensuring improved safety and functionality. Equipment used for the project will include spreaders, sweepers, oil trucks, dump trucks, rollers, and graders.
