Project Description

Project Title: Parker Dam Road

Project Location: Parker Dam Road in the unincorporated community of Big River in San Bernardino County.

Project Description: The proposed project involves routine road maintenance and surface treatment along approximately 15.28 miles of Parker Dam Road. All work will occur in County right-of-way. Project activities include grinding and patching of localized areas, pothole repairs, and chip seal application. The chip seal process will consist of sweeping the roadway, applying a chip seal coat, a fog seal, and reapplying pavement markings. Shoulder maintenance will also be performed as part of the preparation work. Equipment to be used includes spreaders, sweepers, oil trucks, dump trucks, rollers, and a grader. No material stockpile or staging areas will be established for this project.
