**Project Description:** (please use a separate page if necessary)

Request by Don and Bryan Idler for a Vesting Tentative Parcel Map to subdivide an existing 22-acre parcel into two parcels of 12.0 and 10.0 acres each for the purpose of sale and/or development. The site is currently developed with a single-family residence, two agricultural accessory structures, a ground mounted photovoltaic system, and two wells. Each proposed parcel will be served by an individual domestic well. Proposed Parcel 1 will take access via a 16-foot-wide all-weather road within a 25-foot shared access easement along the northern property line. Proposed Parcel 2 will take access directly via Davenport Creek Road. Two separate Emergency Access Road Easements are proposed via agreements with neighboring properties. No development is being proposed as a part of the land use entitlement. The proposed project is within the Residential Rural land use category and is located at 4985 Davenport Creek Road, approximately 1.3 miles west of Highway 227 and approximately 0.75 miles south of the San Luis Obispo Urban Reserve Line (URL). The site is in the San Luis Obispo Sub-area North of the San Luis Obispo Planning Area.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
