The project is categorically exempt under Article 19, Section 15301, Class 1, Existing Facilities, because it consists of interior alterations to an existing facility with negligible expansion of use. There would be no change in gross floor area or general dental care/instruction and related support uses within the School of Dentistry as a result of the project. The project's increase in patient capacity and associated staffing support is considered negligible. Additionally, no exceptions to the exemptions pursuant to CEQA Guidelines Section 15300.2 apply.
