### CULVER CITY APPROVAL ACTION:

1. The City Council on April 14, 2025, approved the above described project.

The decision-making body, in approving the project described above, determined that the project is exempt from further environmental impact assessment per the California Environmental Quality Act (CEQA) guidelines, pursuant to Sections 15061(b)(3) and 15168(c)(2).

2. Reason why project is Exempt (brief):

The Zoning Code Amendment, P2024-0310-ZCA, and associated Citywide Residential and Mixed Use Objective Design Standards are considered exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(3), because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, and per CEQA Guidelines Section 15168(c)(2), because they are consistent with the Final Program Environmental Impact Report (EIR) for the General Plan and Zoning Code Update certified on August 26, 2024 (SCH #2022030144) and would not result in new impacts.
