Project Title: Mud Creek Reservoir Maintenance Project (Streambed Alteration Agreement Notification No. 1600-2019-0244-R2)

Project Location: The project is located at Mud Creek tributary to the Sacramento River, in the County of Butte, State of California; Latitude 39.838847°, Longitude -121.767709°

Project Description: On April 29, 2020, the California Department of Fish and Wildlife (CDFW) executed Streambed Alteration Agreement Notification Number 1600-2019-0244-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Youth with a Mission- Springs of Living Water, CDFW has agreed to extend the term of the Agreement to April 29, 2030.

The project is limited to the excavation of approximately 10,000 cubic yards of sediments from the existing reservoir. Access will be performed through an existing road. The sediments will be placed outside the active channel where they cannot pass into waters of the state. Only emergent vegetation within the existing pond will be impacted by the project. Prior to starting construction activities, the existing reservoir will be gradually drained to prevent sediment release into Mud Creek.

Public Agency Approving Project: California Department of Fish and Wildlife

Person or Public Agency Carrying out Project: Youth with a Mission- Springs of Living Water
