ADMINISTRATIVE DETERMINATION: The project involves the approval of an amendment to City Council Policy No. 420 to allow the installation of speed cushions on Avenida Pedregal between Del Obispo and Avenida Del Rosal. Since the installation of speed cushions will involve negligible alteration of the existing street, the City's Environmental Administrator has determined that further environmental evaluation is not required because:

- The project is not subject to CEQA because it "does not involve the exercise of discretionary power," or "will not result in a direct or reasonably foreseeable indirect physical change in the environment," or, "is not a project as defined in Section 15378 of the CEQA guidelines." (Sections 15060(c)(1), (2) & (3)); or,
- "The activity is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA" (Section 15061(b)(3)); or,
- The project is statutorily exempt, Section _____, <name> (Sections 15260-15277); or,
