**PROJECT TITLE:** Industrial Water Treatment Plant Test Well Conversion & Water Treatment Plant Expansion Project

**CONTACT PERSON:** Alejandra Ricci, Associate Civil Engineer, (209) 366-7260,  
aricci@cityofgalt.org

**PROJECT LOCATION:** The project site is an existing Industrial Water Treatment Plant (IWPT) located in the City of Galt, Sacramento County, California. The project site is on the south side of Live Oak Avenue, east of McFarland Street, approximately 0.5 miles west of State Route (SR) 99.

**PROJECT DESCRIPTION:** The City of Galt Public Works Department constructed a test well at the Industrial Water Treatment Plant (IWTP) in 2016 as part of the IWTP 2016 Deep Well Project. The IWTP 2016 Deep Well Project added a 2,000 gallons per minute (gpm) production well to the existing site. The test well was drilled to a depth of 1,630 feet and constructed with a 12.75 inch outside diameter mild steel and stainless steel well casing and well screen assembly. This Project consists of the design for converting the test well into a production well and required upgrades to the Water Treatment Plant to allow pipeline routing, connection, and the expansion of existing plant for the new well. The test well conversion to a production well shall meet a design capacity of at least 1,000 gpm, with the design flow of the new variable speed well pump at 1,150 gpm at maximum speed.

**FINDINGS/DETERMINATION:** An Initial Study of the effect of this project has been prepared, and it has been determined that there will be no significant adverse effects on the quality of the environment; therefore, a Negative Declaration is proposed.

**PUBLIC REVIEW PERIOD:** A 20-day public review period for the Negative Declaration will commence on April 25, 2025, and end at 5:00 pm on May 14, 2025, for interested and concerned individuals and public agencies to submit written comments on the document. Any written comments on the Negative Declaration must be received within the public review period. Copies of the Negative Declaration are available for review at the City address provided above and an electronic version of the document is available online at:
