

THIS NOTICE WAS POSTED

CN April 18 2025

UNTIL May 19 2025

REGISTRAR - RECORDER/COUNTY CLERK

CITY OF LOS ANGELES
 DEPARTMENT OF PUBLIC WORKS
 BUREAU OF STREET SERVICES
 1149 S. BROADWAY, 4th FLOOR
 LOS ANGELES, CALIFORNIA 90015
CALIFORNIA ENVIRONMENTAL QUALITY ACT
NOTICE OF EXEMPTION
 (Articles II and III - City CEQA Guidelines)

2025 079488

 FILED
 Apr 18 2025
 Don C. Logan, Registrar - Recorder/County Clerk
 Electronically signed by VERONICA HEAL

Submission of this form is optional. The form shall be filed with the County Clerk, 12400 E. Imperial Highway, Norwalk, California, 90650 and with the State Clearinghouse in the Governor's Office of Land Use and Climate Innovation, if filed with the County Clerk, pursuant to Public Resources Code Section 21152(b). Pursuant to Public Resources Code Section 21167(d), the filing of this notice starts a 35-day statute of limitations on court challenges to the approval of the project.

LEAD CITY AGENCY AND ADDRESS: City of Los Angeles c/o Bureau of Street Services 1149 S. Broadway, 4 th Floor, MS 550 Los Angeles, CA 90015	COUNCIL DISTRICT(S): 2, 4, 5, 10, 11, 13
---	--

PROJECT TITLE: Sidewalk Repair Program - Package No. 73	LOG REFERENCE
---	----------------------

PROJECT LOCATION: 28 Access Request Sites in the City of Los Angeles, as listed in *Table 1: Access Request Site Location*.

DESCRIPTION OF NATURE, PURPOSE, AND BENEFICIARIES OF PROJECT: The Sidewalk Repair Program - Package No. 73 (Project) consists of the repair of existing sidewalks pursuant to the City of Los Angeles' obligations under the *Willits* Settlement Agreement (U.S. Dist. Court Case No. CV10-05782 CBM [RZX]). The scope of work is limited to the removal of the specific Americans with Disabilities Act (ADA) access barrier(s) and adjacent work for the purpose of barrier removal, as identified by requestor/resident with a disability, in accordance with the applicable accessibility requirements, including those required by the ADA. The beneficiaries of the Project include the public and local businesses. The Project includes the removal of 2 street trees Site No: 2457 - 1143 S ALVIRA ST and Site No: 5007 - 757 S NORTON AVE. Two tree removals as part of the sidewalk repair which would require a separate discretionary approval by the Bureau of Street Services, Urban Forestry Division or the Board of Public Works. Please see the project description continuation in the narrative for more details. The Bureau of Street Services / The Board of Public Works determined the project was exempt from the California Environmental Quality Act (CEQA) and approved the tree removal on March 04, 2025

27	7777	10	1730 S 5TH AVE
28	7910	5	315 S JUNE ST

Unless otherwise stated, the proposed Project will be designed, constructed and operated following all applicable laws, regulations, ordinances and formally adopted City standards including but not limited to:

- Willits Sidewalk Repairs – Regulatory Compliance Measures and Best Practices (saved on file with the Bureau of Engineering)
- Los Angeles Municipal Code
- Bureau of Engineering Standard Plans

- Standard Specifications for Public Works Construction “Greenbook”
- Work Area Traffic Control Handbook
- Additions and Amendments to the Standard Specifications for Public Works Construction

II. ENVIRONMENTAL REVIEW

A. Basis for Categorical Exemption

Class 1 (CEQA Guidelines 15301), “consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use” and includes “[e]xisting...streets, sidewalks, gutters...and similar facilities.” The Willits sidewalk repairs, which repair existing City sidewalks and may include minor additions to existing sidewalks such as curb ramps that result in negligible or no expansion of use, fit squarely into the CEQA Class 1 category.

Class 32 (CEQA Guidelines 15332) “consists of project characterized as in-fill development meeting the following: (a) the project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations; (b) the proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses; (c) the project site has no value as habitat for endangered, rare or threatened species; (d) approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality; and (e) the site can be adequately served by all required utilities and public services.” The Willits sidewalk repairs qualify for the Class 32 Categorical Exemption as the Project is developed on an infill site (previously developed for qualified urban uses) or adjacent to qualified urban uses, and meets the conditions described in this section (*Willits Sidewalk Repairs, Technical Memorandum No. 4: In-Fill Development Project Analysis for Purposes of CEQA Guidelines 15332*, saved on file with the Bureau of Engineering).

B. Consideration of Potential Exceptions to use of a Categorical Exemption

The State CEQA Guidelines (CCR Sec 15300.2) limit the use of categorical exemptions in the following circumstances:

1. Location. Exemption Classes 3, 4, 5, 6, and 11 are qualified by consideration of where the project is to be located – a project that is ordinarily insignificant in its impact on the environment may be significant in a particularly sensitive environment. Therefore, these classes are considered to apply all instances, except where the project may impact on an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law by federal, state, or local agencies.

Not applicable to Class 1 and Class 32.

2. Cumulative Impact. This exception applies when, although a project may not have a significant impact, the cumulative impact of successive projects of the same type in the same place, over time is significant.

No successive projects of the same type (sidewalk repair) in the same place (specific site) are anticipated (*Willits Sidewalk Repairs, Technical Memorandum No. 3: Supplemental Cumulatively Considerable Analysis for purposes of CEQA Guidelines 15300.2(b)* saved on file with the Bureau of Engineering). Therefore, this exception is not applicable to this Project.

3. Significant Effect. This exception applies when, although the project may otherwise be exempt, there is a reasonable possibility that the project will have a significant effect due to unusual circumstances.

No unusual circumstances are present (*Willits Sidewalk Repairs, Technical Memorandum No. 1:*

Finding of No Unusual Circumstances for Purposes of CEQA Guidelines 15300.2(c) and *Willits Sidewalk Repairs*, Technical Memorandum No. 2: Biological Resources Analysis – Sidewalk Repair Program- Package No. 73 saved on file with the Bureau of Engineering). Therefore, this exception is not applicable to this Project.

4. Scenic Highway. A categorical exemption shall not be used for a project which may result in damage to scenic resources, including but not limited to, trees, historic buildings, rock outcroppings, or similar resources, within a highway officially designated as a state scenic highway.

The project sites are not located in a state scenic highway. Therefore, this exception is not applicable to this Project.

5. Hazardous Waste Site. This exception applies when a project is located on a site listed as a hazardous waste site under Government Code Section 65962.5.

The Project sites have been checked and are not located on a site included on any list compiled pursuant to Section 65962.5 of the Government Code (Project Checklist, saved on file with the Bureau of Engineering). Therefore, this exception is not applicable to this Project.

6. Historical Resources. This exception applies when a project may cause a substantial adverse change in the significance of a historical resource.

The Project sites have been checked and are not located on sites that have historical resources, or will not cause a substantial adverse change in the significance of a historical resource (Project Checklist, saved on file with the Bureau of Engineering). Therefore, this exception is not applicable to this Project.
