**COUNTY OF SOLANO
NOTICE OF INTENT TO ADOPT A
MITIGATED NEGATIVE DECLARATION**

The Solano County Department of Resource Management has evaluated the project described below and has determined that a Mitigated Negative Declaration analyzing environmental impacts be prepared pursuant to the California Environmental Quality Act.

The project proponent, Ceres Enterprises Inc., proposes to construct the Midway Plaza Project consisting of truck and automobile fueling service stations, convenience store, and two quick service restaurants located northeast of the intersection of Midway Road at Interstate 80, within the Highway Commercial "CH" zoning district. Approval of Use Permit application U-20-03 would allow for the Project to be constructed on ±10-acres of the 21-acre property. The Project also involves construction of a round-a-bout at the intersection of Midway Road and Lewis Road. The property is located at along Midway Road, northeast of the City of Vacaville. APNs: 0109-180-050 and 0109-230-030.

Copies of the environmental document are available for public review at the Solano County Department of Resource Management, 675 Texas Street, Suite 5500, Fairfield, California, and at www.solanocounty.com under Resource Management Department, Documents, Environmental Impact Report/Negative Declarations. Written comments on the proposed Mitigated Negative Declaration will be accepted until 5:00 p.m. on **May 30th, 2025** and can be mailed to Eric Wilberg, Senior Planner at the Department of Resource Management, 675 Texas Street, Suite 5500, Fairfield, CA 94533 or emailed to Planning@SolanoCounty.gov.
