

**CITY OF REDLANDS
DEVELOPMENT SERVICES DEPARTMENT**

**NOTICE OF INTENT TO
ADOPT A NEGATIVE DECLARATION**

To: San Bernardino County Clerk of the Board
385 North Arrowhead Avenue
San Bernardino, CA 92415

and Office of Land Use & Climate Innovation
State Clearinghouse
1400 Tenth Street
Sacramento, CA 95814

From: City of Redlands, Development Services Department
P.O. Box 3005, Redlands, CA 92373-1505

Subject: Filing of Notice of Intent to Adopt a Negative Declaration in accordance with Public Resources Code Sections 21092 and 21092.3 (CEQA Guidelines § 15072).

Project Title: Climate Action Plan Update Project

State Clearinghouse Number	Jazmin Serrato, Assistant Planner Lead Agency Contact Person	(909) 798 - 7555 ext. 4749 Telephone Number
----------------------------	---	--

Project Location:

The project location is the City of Redlands (citywide).

Project Description:

The proposed project will update the City's Climate Action Plan (CAP) which was adopted in 2017 and is a policy document identifying numerous programs and policies for both the public sector and private sector that seek to significantly reduce greenhouse gas (GHG) emissions within Redlands.

California has adopted a wide variety of regulations aimed at reducing the State's greenhouse gas (GHG) emissions. In addition to the efforts at the State level, local governments have broad influence and, in some cases, exclusive jurisdiction over activities that contribute to significant GHG emissions through their planning and permitting processes, local ordinances, outreach and education efforts, and municipal operations. As a result, many communities throughout the state are taking responsibility for planning to reduce energy use and emissions. Through proactive measures in land use, transportation, energy efficiency, green building, waste diversion, water conservation and more, local governments help residents and businesses save money while improving quality of life and reducing emissions in their communities.

The 2025 CAP Update includes measures to enable the City to meet its targets for GHG emissions consistent with current targets for the State to the year 2050. The updated CAP will replace the present CAP that the City of Redlands adopted in 2017. The updated CAP includes projections of GHG emissions in Redlands through 2050, outlines updated State GHG reduction targets, and includes a GHG Reduction Strategy with measures with quantified GHG reduction targets.

Public Review Process:

This is to advise that there is no substantial evidence of any potentially significant environmental effects from the proposed project, and the City of Redlands has determined that a Negative Declaration may be the appropriate CEQA environmental determination for the project. After public review of the Initial Study is completed, the City may propose to adopt a Negative Declaration in accordance with Section 15074 of the CEQA Guidelines.

The Redlands City Council will hold a public hearing at a future noticed public meeting (tentatively scheduled for Tuesday, June 17, 2025) to make a determination on the above-referenced environmental document and the 2025 Climate Action Plan.

The Initial Study, project plans, and related documents are available for public review at the Planning Division website at <https://www.cityofredlands.org/post/environmental-documents>.

Please contact the staff member below for further information about project status or a hearing date.

How to Submit Comments:

The proposed Negative Declaration will be available for public review and comment from May 1, 2025, through May 30, 2025 (CEQA Guidelines § 15073). Any comments you wish to hand-deliver should be submitted in writing no later than 4:30 p.m. on Friday, May 30, 2025, to the City of Redlands Planning Division.

Written comments should be submitted via e-mail to:
jserrato@cityofredlands.org

Written comments may be delivered to:
City of Redlands, Planning Division
Attn: Jazmin Serrato, Assistant Planner
35 Cajon Street, Suite 20
Redlands, CA 92373

Written comments may be mailed to:
City of Redlands, Planning Division
Attn: Jazmin Serrato, Assistant Planner
P.O. Box 3005
Redlands, CA 92373-1505

Written comments may be submitted via facsimile to: (909) 792 – 8715

**Deadline to submit public comments:
Friday, May 30, 2025**
