Project Description

Project Title: Goffs Road Routine Maintenance (H15292)

Project Location: Goffs Road, from National Trails Highway in the unincorporated community of Essex to U.S. Route 95 in the City of Needles.

Project Description: The proposed project involves routine road maintenance and surface treatments along approximately 29.44 miles of Goffs Road, all of which will take place within the County right-of-way. Project activities include crack sealing, pothole repairs, and the application of a chip seal. The chip seal process will consist of sweeping the roadway, applying a chip seal coat, followed by a fog seal, slurry seal, and pavement. Pavement markings will also be reapplied. No work will be conducted on the shoulders. Equipment used for the project will include spreaders, sweepers, oil trucks, dump trucks, rollers, and a grader.
