**NOTICE OF EXEMPTION**

July 27, 2023

**PROJECT TITLE: Cajalco Road Guardrail Reconstruction**  
Work Order #ZD20019C, Task Code #Z1530

**PROJECT SPONSOR: County of Riverside Transportation Department**

**PROJECT LOCATION: Lake Mathews**

**SUPERVISORIAL DISTRICT: 2**

**PROJECT DESCRIPTION:** The County of Riverside Transportation Department proposes to remove approximately 603 linear feet and reconstruct approximately 3,972 linear feet of guardrail on Cajalco Road from La Sierra Avenue to Wood Road and on Lake Mathews Drive from Capello Drive to Malta Place. Cajalco Road is classified as an Expressway in the County of Riverside General Plan and currently consists of one travel lane in each direction with a total width of 28 to 60 feet. The proposed work will include:

- Replacing the old existing guardrail system with the new Midwest Guardrail System to meet Caltrans standards.
- Replacing the existing guardrail end flared terminals with the new In-Line end treatments
- Installing reflective markers
- Installing signs

**ENVIRONMENTAL ANALYSIS:**

All improvements are to be done within the existing right-of-way.

This project is subject to compliance with the Western Riverside MSHCP. In accordance with Section 7 of the Western Riverside MSHCP, necessary operation and maintenance activities along existing roadways are considered a covered activity within cell criteria areas. This project is considered to be an operation and maintenance activity and therefore is covered under the Western Riverside MSHCP. The project will comply with construction guidelines provided in Section 7.5.3, as well as Best Management Practices (BMPs) outlined in Appendix C.

If tree and/or vegetation removal takes place during the migratory bird breeding season (February 1 – September 1), a preconstruction nesting survey will be conducted pursuant to the Migratory Bird Treaty Act (MBTA).

05/06/2025 Item 3.53

Removed: By: Deputy

**The Riverside County Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:**

**Section 15301 (c) – Existing Facilities** – The project proposes to replace existing guardrail with Midwest Guardrail to meet Caltrans standards. Additionally, the project will install reflective markers and extend guardrail segments. These safety improvements to the existing roadway are exempt from CEQA under Section 15301 (c) because the activity does not create additional automobile lanes and involves no expansion of use of the existing roadway and associated facilities.
