Project Title: State Street Water Improvements Project
Project Location: State Street, between Stetson Avenue and Chambers Street
City: Hemet
County: Riverside

Description of Nature, Purpose, and Beneficiaries of Project:

The State Street Water Improvements project consists of the construction of two water pipelines, one for Eastern Municipal Water District (EMWD) and the other for City of Hemet (City) along State Street, between Stetson Avenue and just below Chambers Street. EMWD’s pipeline will replace approximately 3,000 linear feet of 20-inch diameter steel pipeline, currently located within an easement, with 20-inch diameter PVC, shifting the alignment into the public right-of-way. The City’s pipeline will be approximately 2,400 linear feet of 24-inch diameter PVC pipeline located on the opposite side of State Street, parallel to the EMWD pipeline, and within the public right-of-way (Exhibit 2). Beneficiaries of the project are EMWD ratepayers and City of Hemet residents.

Public Agency Approving and Carrying Out Project: Eastern Municipal Water District

Exempt Status:

Statutory Exemption. 21080.21

Reasons why project is exempt:

Implementation of the project consists of the replacement of an existing pipeline and the installation of a new pipeline. The pipelines will be installed parallel to each other and within the public right-of-way, only disturbing approximately 3,000 linear feet, which does not exceed the one mile in length.
